

## Text Banking

### What is Text Banking?

Text banking gives you access to your accounts via text (SMS) messages on your phone. It's a fast, easy way to look up account balances or recent account history by sending a text command to a shortcode.

### How do I activate Text Banking?

Sign in to online banking at [deltabk.com](http://deltabk.com) and hover on the Administration tab. Under Maintain Account click on Mobile Banking.

### Can I use both Text Banking and Mobile Banking on my phone?

Yes, you can use both options from the same phone. To do so you will need to activate each option on your phone prior to use.

### Is Text Banking supported on my phone?

Text Banking will work on any text message (SMS) capable phone from one of our supported carriers.

### Will I receive unsolicited text messages?

No. You will only receive messages when you specifically request them with one of the Text Banking commands or if you subscribe to Mobile Alerts.
